Re: Circular 0045/2016 – Lansdowne Road Agreement

Dear John,

I refer to Circular 0045/2016 regarding application of the Lansdowne Road Agreement in respect of post-primary teachers.

The Circular stated that the position of TUI members in voluntary secondary schools would be the subject of further guidance and clarification. This letter provides that guidance. It also identifies the particular category (of the categories set out in Circular 0045/2016) to which each school with Educate Together as a patron/partner/trustee partner is assigned and provides a complete list of Designated Community Colleges in the Education and Training Board sector.

Position of TUI Members in Voluntary Secondary Schools

Recognising the fact that TUI has accepted the Lansdowne Road Agreement and that members of TUI are entitled to the benefits and protections associated with the Agreement, TUI members in Voluntary Secondary schools should complete the form at Appendix 1 of Circular 0045/2016 and submit the form by post to:

LRA Consent Forms
Post-Primary Payroll Section
Department of Education and Skills
Cornamaddy
Athlone
County Westmeath
N37 X659

Alternatively, teachers can email a scanned copy of the completed and signed form to the Post-Primary Payroll Section at ppppayroll@education.gov.ie

The form should be submitted, at the latest, by 5 p.m. on 8th September 2016. Earlier submission of the form is advisable as it will assist in enabling the Department to implement the salary adjustments under the Lansdowne Road Agreement at the earliest possible date. The application of the Lansdowne Road Agreement is entirely conditional upon adherence to its terms by the teachers to whom it is applied.

Teachers should retain a copy of the completed and signed form and also give a copy to the Principal of their school.

Schools where Educate Together is a Patron/Partner/Trustee Partner

The position in relation to schools where Educate Together is a patron/partner/trustee partner is set out in the table below.

Application of Circular 0045/2016 in a particular school will proceed in accordance with the provisions applying to that category of school as set out in the Circular and in this letter. For example, as Hansfield Educate Together Secondary School is categorised as a voluntary secondary school, the Financial Emergency Measures in the Public Interest Act 2013 and 2015 as set out in Section 3 of the Circular will apply to teachers employed in that school, but a TUI member in the school will have the Lansdowne Road Agreement applied to him/her provided that he/she submits the form at Appendix 1 of Circular 0045/2016 to the Department's Payroll section.
